**12.15pm Music - The Magic E's**  
The Magic Es have been declared as "the best British rock band since Oasis" (Henry Lipput, cooldadmusic.com) while others, such as Don Valentine at I Don't Hear A Single, compared their album Dead Star to The Stones and The Killers. Ultimately they're a melodic rock band with pop sensibilities; memorable hooks, with big choruses oozing out of every track.  
They've received radio play across the globe on 100s of stations and a mountain of enthusiastic reviews from the likes of KEXP, BBC Introducing, XS Noize, One On One Music and Amazing Radio. If you're a fan of 90's inspired indie rock and Britpop, then The Magic Es could be your new favourite band.

**1.30pm Music - Aartwork**  
Aartwork uniquely blends Celtic and jazz elements, combined with their use of traditional instruments and modern beats. Aartwork have an innovative approach to creating music.'
