Welcome to Alive & V-Dubbin 2025

Explore - Enjoy - Have Fun!

Alive & V-Dubbin Festival is run by the Suffolk Buggs VW Club. All Members of CREW volunteer so you can have a great weekend.

Whether you're visiting for a day or camping for the weekend, make sure you explore as there's so much to see & do over the entire weekend. We plan all year to ensure it can all go ahead whatever the weather too.

Suffolk Buggs is a family focused VW Club & this reflects throughout the festival, so if you are staying with us over the weekend or visiting for the day then we ask you to show respect to fellow festival goers & stick to the few rules we have at the bottom of this page.

TRISH DUNN (MC)

For more than 15 years, Trish Dunn has entertained audiences in comedy clubs, vacation resorts, theatres, on river cruises, at churches, and for private events. Combining her skills as a ventriloquist and stand up comedian, she keeps audiences laughing with programs customized for her clients' events.

Prior to becoming a professional entertainer, Trish worked as an accountant while raising two sons as a single mom. To combat the stresses of life, she developed a sense of humor that allowed her to find the funny in everyday situations. This talent makes her comedy instantly relatable to audiences.

ALICE FRICK

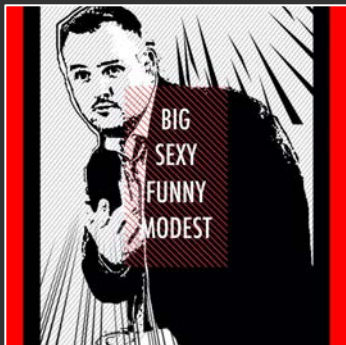

Alice Frick is a comedian, actress, writer and producer, originally from Austria, based in London. As an alumna of the University of Economy and Business Administration Vienna, Alice also holds an MA in Acting from the University of Essex (East 15).

She has been featured on a few TV shows in Germany (WDR, Comedy Central), and moved to Los Angeles where she started doing comedy in English. In 2010 Frick moved to London where she has set up her own comedy night, with an all-female line-up, called: "Laughing Labia" to redress the gender balance on stage and support female comedians.

JASON STAMPE

Jason Stampe delivers an outstanding blend of jokes and crowd interaction that will leave you feeling he must have planned the whole thing out. Rest assured, anything can, and will happen, and Jason will be there to make it funny. Few comedians can switch so effortlessly between riffing and their set like Jason Stampe so don't miss your chance to see him !
